Work Experience

Graphic Designer & Print Production Manager

The UPS Store / Hazel Properties LLC
March 2021 - Present

- Collaborate with individual and business clients to discover and provide suitable design and print solutions including business cards, logos, signs, posters, vinyl banners, fliers, postcards, mass mailings, etc.
- Assist across multiple locations in managing print-related and general store operations including marketing, training and supervision of staff, setup and maintenance of computer hardware/software, and more.
- Efficiently manage time and balance complex work queues with shifting priorities to meet strict deadlines while maintaining high quality results.
- Represent the company while attending and speaking amongst local business owners at BNI (Business Network International) meetings.

Volunteer Graphic Designer

IdolFest
November 2021 to Present

Volunteer Art & Design Team Member for Idolfest, a non-profit organization hosting music and anime conventions in Western Washington and Southern California with a focus on Japanese-style pop idol songs and performances.

- Follow brand guidelines to create cohesive assets for print and web including logos, stickers, promotional fliers, social media graphics, apparel, accessories, and more.
- Practice time management and flexibility to meet various deadlines while fitting in unexpected urgent design requests.
- On-site hands-on assistance to supplement event staff with behind-the-scenes setup and provide guidance to special guests and event attendees.

Patient Care Coordinator

Providence - Indian Trail Family Medicine & Pediatrics
September 2019 - March 2021

- Handle all incoming/outgoing calls while documenting sensitive information between patients and physicians.
- Schedule appointments according to each provider's individual specifications.
- Perform patient outreach to ensure proper continuity of care.
